## **For which award are you submitting a nomination?**

- On-site**
- Green Power**
- Green Power Partner of the Year**

**Please include the following information on which each nomination will be judged:**

### **PURCHASER AWARDS CRITERIA**

- A. Renewable energy commitment, including the total amount of the green power purchase, or the size and type of renewable energy installation
- B. Green power purchase as a percentage of total power load
- C. Percentage of green power commitment that is new renewable energy content ("new" as defined by the technical requirements of the Green Power Partnership)
- D. Vintage of the renewable energy source—additional weighting is given if the purchase supported the development of a new renewable energy project
- E. Communications efforts undertaken to promote the purchase both internally and externally
- F. Organizational strategy for investing in green power
- G. Leadership in purchasing in a region or business sector

### **ADDITIONAL INFORMATION:**

- A. Contact Information
- B. Location of renewable energy generation
- C. Project budget, including a short description of any innovative financing methods
- D. Challenges of the purchasing process—this could include market interruptions, internal hurdles, and/or buying a new technology

### **Why are you nominating this organization? (200 words maximum)**
